

**Linda Fullerton's President's message**

Our ETI Spring Ride is scheduled as planned. We are using due diligence, but feel that the horses that are signed in for the ride have not been exposed to EVHI. I do want to thank all of our corrals for carefully considering each event they have planned as it affects the equine community. I know several shows have been cancelled. We discussed the position ETI National should take on this virus outbreak at our last board meeting. I think we made the correct decision in allowing our corrals to determine their own course of action. Each event has been carefully scrutinized.

ETI Convention offers something for every Equestrian. We welcome ALL ! If you are a spectator, please come and see what we are all about... If you would like to participate, we welcome you. You do not have to be an ETI member. We hope to see you sometime at one or more of our July events. Please let us know if you learned about us through the Horsetrader magazine.

ETI offers a wide variety of events for our membership. In my opinion, one of our most valuable assets is our Junior members whom we need to support, to our Equestrian life style. Our youth members are the leaders of ETI in the years to come. We need to reach out to them and ensure that they enjoy our corral events as much as we do. Talk with our young members. Include them in the events as you plan them. Invite their input. And, keeping that in mind, please mark your calendars for July 9th, for the luncheon to be held in Chatsworth, crowning our 2011 – 2012 ETI Ambassador Court. Your attendance and participation in this event, supporting our youth, would be greatly appreciated. This is the annual dinner that we used to have at convention. That evening became too expensive and we have moved this annual event to make your participation more affordable.

Happy Trails,  
Linda

**Special High Point Awards**

High point awards will be offered during this year's Convention horse show. The classes listed are the qualifying classes for each award. Points are based on a one-horse/one-rider combination.

NO switching of horses or numbers is allowed. **There are many classes available for each award, but remember to keep your horse in mind and don't over enter.** Qualified classes for the saddles include both the age division and open classes, but divisional awards include only age-division classes and specific open
